Insurance & not working Insurance for immigration | Study at ArtEZ

Insurance is obligated to live and work in The Netherlands. For (urgent) medical care, but also accident and liability.
ArtEZ offers to arrange this for Non EU students in the first year via AON Student Insurance. You can choose to continue at the end of the year or arrange your own health insurance.
EU students can check their own insurance if they can provide coverage. Coverage includes medical expenses, liability and theft. If not covered we strongly recommend to apply for an (additional) package with AON.

Insurance & working

Please be aware that the AON Student Insurance does not offer coverage if you are working in The Netherlands. Once you start working you will fall in the regular rates for insurance starting 129,95 euro a month for basic health care with own yearly risk of minimal 385 euro. AON offers this as well including an additional package for liabilities and such at an additional 26,40 a month. However, the student can decide with which company they want to insure themselves.

Depending your housing and contract you will also be subject to paying municipality taxes to Gemeente Arnhem. In some situations you can appeal to Arnhem to waive the payment.

ArtEZ Dance Artist has a closed facebook group 'ArtEZ DM0 to DM∞' uniting new accepted students with current and alumni. Joining gives the opportunity to contact departing students for a possibility to take over rooms and furniture. Link to group:
