Architecture

The list below contains the list of universities you can pick from within the department.
Each university has its own deadline and applications procedure. Make sure you check the details on the website of the partner university, so you don't miss the application deadline!

ArtEZ has to nominate a student before they can apply, which is why you need to apply via Osiris Student before submitting your application to the partner. There is a maximum of **two students per semester** to be nominated for an exchange. This means that you might not be able to apply if there are too many applicants. You will hear from the Exchange team if you are selected to apply.

Please note that not all universities will teach in English or have English as main language of instruction in their courses.

Interior Architecture students can select from the partner institutes on the Art & Design list.
